2.6.1 Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution and its Web-link

The Course outcomes are aligned to the blooms taxonomy in the revised syllabus of University of Mumbai which is commenced from the academic year 2019-2020 for first year engineering (all branches). For subsequent years, the Course Outcomes, Program Outcomes and Program Specific Outcomes are prepared by every Department with reference to the Course Outcomes as notified by revised syllabus of University of Mumbai in the year 2016-2017 through the Choice Based Credit and Grading System (CBCGS). Each of these components contributes for accomplishment of the Vision and Mission of the Institute. Program outcomes, Program specific outcomes and Course outcomes are communicated to teachers, students and other stakeholders by displaying the same on the website.

In addition, the Program Outcomes and Program Specific Outcomes are also displayed and disseminated to the stakeholders in the Institute through the following channels:

- Outdoor – Boards at prominent places
 - Instructional Areas
 - Laboratories
 - Seminar Halls
 - Administrative Areas
 - Department Offices
- Digital Media
 - Institute Website (www.vit.edu.in)
 - Internal MIS (ERP)
 - Student web portal (vLive)
- Print Media
 - Staff Diary
 - Course Diary
 - Academic Administration Plan

At the end of every academic year, Program exit survey is conducted for the final year students. The outcome of this survey is discussed in Advisory panel meeting for further improvement.
