

MSE Timetable A.Y. 2024-25: ODD Sem

DATE	TIME	SE III (NEP 2020 R-2023)					
		INFT	CMPN	EXCS	EXTC	вюм	
August 5, 2024	10.00 am to 10.45 am	Microprocessor		Electronic Devices and Circuits	Microprocessor and Microcontroller	Electronic Devices and Circuits	
August 12, 2024	10:00 am to 11.00 am	Engineering Mathematics-III	Engineering Mathematics-III	Applied Mathematics- III	Engineering Mathematics-III	Engineering Mathematics - III	
August 19, 2024	10.00 am to 10.45 am	Advanced Java	Database Management Systems	Electrical Circuit Analysis (10:00 AM TO 11:00 AM)	Network Theory and Transmission lines (10:00 AM TO 11:00 AM)	Human Anatomy & Physiology	
August 26, 2024	09.00 am to 09:45 am	-	W ₁	ALC: Computer Organization & Architecture		ALC: Digital logic design and analysis	
	09:45 am to 10.30 am	Data Structure & Analysis	Analysis of Algorithms	Data Structures	Electronic Devices and Circuits	Biomedical Transducers and Control Systems	
September 2, 2024	10.00 am to 10.45 am	Principles of Communication	Microprocessor	Python Programming	Principles of Communication Engineering	Python Programming	

DATE	TIME	SE III (NEP 2020 R-2023)					
		INFT	CMPN	EXCS	EXTC	вюм	
September 18, 2024	10.00 am to 10.45 am	Microprocessor	<u></u>	Electronic Devices and Circuits	Microprocessor and Microcontroller	Electronic Devices and Circuits	
September 23, 2024	10:00 am to 11.00 am	Engineering Mathematics-III	Engineering Mathematics-III	Applied Mathematics- III	Engineering Mathematics-III	Engineering Mathematics - III	
September 30, 2024	10.00 am to 10.45 am	Advanced Java	Database Management Systems	Electrical Circuit Analysis (10:00 AM TO 11:00 AM)	Network Theory and Transmission lines (10:00 AM TO 11:00 AM)	Human Anatomy & Physiology	
October 7, 2024	09.00 am to 09:45 am			ALC: Computer Organization & Architecture		ALC: Digital logic design and analysis	
	09:45 am to 10.30 am	Data Structure & Analysis	Analysis of Algorithms	Data Structures	Electronic Devices and Circuits	Biomedical Transducers and Control Systems	
October 14, 2024	10.00 am to 10.45 am	Principles of Communication	Microprocessor	Python Programming	Principles of Communication Engineering	Python Programming	

Imp Note: -There will be no retest for MID Semester Examination (MSE).
